Back issues and a compilation of all articles by subject may be viewed on the inTouch guide at:

Instructions for accessing full-text for current Logan students, faculty, staff and administration.

Access full-text by opening PubMed in a separate window (it is important to use the link from the library’s website). This will trigger Logan's holdings and provide links to the full-text. If you are off-campus, when prompted, login with your Logan email credentials. Next, you may click on an article title in InTouch to be led to the abstract online, where available. Select the Logan online icon which will take you directly to the PDF or the publisher’s website. To obtain the best quality copy, find the PDF link and click it to pull up the article as it appears in the print issue.

If the abstract leads to a publisher's site instead of PubMed, use the Journal Holdings to look up the journal and then the article.
Articles ordered from the InTouch newsletter may be obtained for a processing fee of $8.00/each for alumni or $10.00/each for non-alumni.

*Prices subject to change
